# 25 REASONS

## OUR FAMILY IS DECLINING THE COVID-19 SHOTS

- 1 Created at "warp speed" in 9 months
- 2 No long-term safety testing
- 3 Not proven to prevent infection & transmission, only to reduce symptoms
- 4 Emergency Use Authorization, not FDA approval
- 5 Lack of trust in inconsistent government medical advice
- 6 Not necessary for a virus with a 99.98% survival rate
- 7 Adverse events & deaths are mostly unadvertised & under-reported
- 8 Unknown long-term effects of this new mRNA gene technology
- 9 Personal family history of blood clots, drug reactions & stroke
- 10 Natural immunity after COVID-19 infection
- 11 Hidden list of unfamiliar ingredients
- 12 Lack of informed consent is unethical
- 13 Safe & effective treatments & preventatives are available
- 14 Vaccine makers can't be sued for injury or death
- 15 Moderna and J&J have no past track record making vaccines
- 16 Pfizer, Moderna, J&J all have controversial & criminal reputations
- 17 These shots don't fit the traditional definition of a vaccine
- 18 "One size fits all" adult doses are not customized for age, weight, or gender
- 19 Too many conflicts of interests among vaccine experts & CEOs
- 20 Marketing campaign with celebrities & incentives is too intense
- 21 Media censorship of opposing medical experts is unprecedented
- 22 Unjust suppression of social media reports from vaccine victims & their families
- 23 Moral conflicts from the use of aborted fetal cells in vaccine testing
- 24 Prayer has brought us peace & discernment about our decision. Fear God, not COVID
- 25 MY BODY, MY CHOICE
