KEEP CALM AND STAY HOME
Dr. Fauci is my shepherd; I shall not want quackery.
Because he reassures my soul: he leadeth us in the path of scientific reason for our species' sake.
Yea, though we walk through the valley of the shadow of COVID-19, we will fear no pandemic: for thou art with us; thy expertise comforts us.
Thou prepar'st a vaccine in the presence of our microscopic enemies:
Thou anointest our hands with soap; our ICU's runneth over.
Surely goodness and mercy shall follow us all our lives at a distance of 6 feet, and we shall not dwell in this house forever.

Amen

Sure, we're on lockdown, but I think the playground is safe.

We're running low on copier paper.

I know, I hoarded it all at my house when someone said we might have a shortage.

Can you bring some of it back? That would defeat the point of hoarding.
I'll be right there, I'm just putting the finishing touches on my grocery store outfit.

“We got a robo call on a great deal on a cruise.”
YOU HAVEN’T SHAVED IN DAYS...MAYBE YOU SHOULD DO SOMETHING ABOUT THAT.
WE CAN'T DO ELECTIVE SURGERY, BUT WE CAN PUT YOU ON A VENTILATOR.
SOCIAL DISTANCING ISN'T NECESSARY...
