

Durham Investigation: FBI Illegally entrapped the Trump campaign... Durham's recent indictment states that the story Danchenko attributed to Millian (alternately, Source D and Source E in the Steele dossier) did not come from Millian. Rather, **the story came from the long-time Clinton supporter, PR executive Charles Dolan, himself tied to the Russian Federation from past years representing the country. At the same time Dolan was sourcing these claims to Danchenko, he was closely consulting with Russian "diplomats," another word for "intelligence agents."**

Hungary Puts Families First in Face of EU Pressure, Rejects 'Overreaching LGBTQ Propaganda' in Schools

BUDAPEST, HUNGARY – Ten years ago Hungary realized it had a major problem. Abortions were up, the birthrate was low, and its population was dwindling. So the government in Budapest did something radical, it made children and families the nation's most important resource. One of these guys understands gun safety. The other is a prosecutor.

Thanks to Patrick: I received this email from a friend..... I have watched the whole Rittenhouse Trial.

I didn't know that Kyle put out a dumpster fire that was being rolled down to a gas station to blow up, with people all around. I didn't know that the **Police were told to stand down as businesses were destroyed.** I didn't know that Kyle's Dad, Grandma and Friends all lived in Kenosha, 20 minutes from where he resided with his Mom part time in Illinois.

I didn't know that **Joseph Rosenbaum knocked him down twice and then attempted to kick him with lethal force to the head.** I didn't know that **Huber had hit him in the head 2 times with a skateboard.** I didn't know **Gaige Grosskreutz, a felon in possession of firearm, aimed his gun at Kyle first, as he admitted on the stand.**

I also didn't know that **in the State of Wisconsin, it is legal for Kyle to have a gun, even at 17** (which was why the gun charge was dismissed). I didn't know that **Kyle did NOT cross state lines with a gun he wasn't supposed to have.** The rightful gun owner did, as he was legally permitted to do.

I also didn't realize that **Rosenbaum was a 5 time convicted child rapist and that Huber was a 2 time convicted woman beater.** I didn't know that **Grosskreutz was a convicted Burglar with an assault on his record also.**
IF THE MEDIA DID THEIR JOB... EVERYONE would have known this!
