

Trump Media and Technology Group Announces Bold New Move

Now, the Trump Group is hiring staff for a new video streaming platform that will compete with such as Netflix, Hulu, and Disney+, called Trump Media and Technology Group+, or TMTG+.

“Trump Media & Technology Group’s streaming video on demand service will be a ‘Big Tent’ platform offering broad-based entertainment rooted in free speech,” it says. “The American public is seeking ‘non-woke’ entertainment, and TMTG+ will provide content for all to enjoy.” [Trump Media and Technology Group Announces Bold New Move — The Republic Brief](#)

A MESSAGE FROM THE VICE PRESIDENT

JOHN F KENNEDY JR

COVID-19 - Will go down as one of history's greatest IQ test. A virus so intelligent, it knows when you're standing ordering a drink at your favorite local compromised communist/marxist extension of the draconian brainwashing Starbucks. It knows when you entered a building with a mask on or without one, it knows when your nose is covered or not, it can prevent you from going to the beach but lets you enter another extension of the draconian manipulation corporations... You've noticed that all these corporations have put signage regarding the "mandates" or "6 feet" policies... when did they become the controller of YOUR health, of YOUR freedoms? When did the Government become the controller of YOUR health? The time to #FightBack and #StandYourGround has never been more clearer in our American history. President Trump, Our 19th President Of The United States put the pedophiles FRONT and CENTER for the world to see Via Executive Order 13818. The Real Virus Were Pedophiles And The US Military Was The Vaccine.

- John F Kennedy Jr.
19th Vice President
