ZUBY: @ZubyMusic

Imagine releasing a product that doesn't properly do what you promised it would do...

and then blaming the malfunction on people who did not purchase said product...

whilst telling those who bought it that they must buy it again every few months.

Follow

when you realize millions of people are reading Robert Kennedy's new book and you're in deep shit

I pray that 2022 is better for each and every one of us.  
Amen.
