Who's wrong more often: the "experts" or the mainstream media?

Nebraska declares pro-meat day on Colorado meatless day

Nebraska Gov. Pete Ricketts is railing against a proclamation by the governor of Colorado that encourages people to avoid meat for one day a week, calling it a "direct attack on our way of life" and signing a pro-meat declaration of his own [Nebraska declares pro-meat day on Colorado meatless day | Lifestyles | denvergazette.com](#)

Greg Murphy@RepGregMurphy If the National Guard is going to be deployed, they should be assisting with the crisis at the border instead of being an unnecessary security detail for @SpeakerPelosi . Today I introduced legislation that would reassign guardsmen to the border. [washingtonexaminer.com](#)
