25 REASONS

OUR FAMILY IS DECLINING THE COVID-19 SHOTS

- 1 Created at "warp speed" in 9 months
- 2 No long-term safety testing
- 3 Not proven to prevent infection & transmission, only to reduce symptoms
- 4 Emergency Use Authorization, not FDA approval
- 5 Lack of trust in inconsistent government medical advice
- 6 Not necessary for a virus with a 99.98% survival rate
- 7 Adverse events & deaths are mostly unadvertised & under-reported
- 8 Unknown long-term effects of this new mRNA gene technology
- 9 Personal family history of blood clots, drug reactions & stroke
- 10 Natural immunity after COVID-19 infection
- 11 Hidden list of unfamiliar ingredients
- 12 Lack of informed consent is unethical
- 13 Safe & effective treatments & preventatives are available
- 14 Vaccine makers can't be sued for injury or death
- 15 Moderna and J&J have no past track record making vaccines
- 16 Pfizer, Moderna, J&J all have controversial & criminal reputations
- 17 These shots don't fit the traditional definition of a vaccine
- 18 "One size fits all" adult doses are not customized for age, weight, or gender
- 19 Too many conflicts of interests among vaccine experts & CEOs
- 20 Marketing campaign with celebrities & incentives is too intense
- 21 Media censorship of opposing medical experts is unprecedented
- 22 Unjust suppression of social media reports from vaccine victims & their families
- 23 Moral conflicts from the use of aborted fetal cells in vaccine testing
- 24 Prayer has brought us peace & discernment about our decision. Fear God, not COVID
- 25 MY BODY, MY CHOICE

CAN YOU SAY: NUREMBERG TRIALS? COVID-19 KILLERS ARE BECOMING KNOWN ...

* The masks start to fall off! * "The Wuhan Biological Lab * is owned by GlaxoSmithKline *, which (accidentally) * owns Pfizer!" (the one who makes the vaccine against the virus that was (accidentally) started * at the Wuhan Biological Laboratory that was * (accidentally) * funded by Dr. Fauci, who (* accidentally *) promotes the vaccine.

"GlaxoSmithKline * is * (accidentally) * managed by Black Rock's finance division, which * (accidentally) manages the finances of the Open Foundation Company (Soros Foundation), which (accidentally) runs the French AXA *.* "Soros (accidentally) owns the German company Winterthur, which (accidentally) built a laboratory in Wuhan * and was bought by the German Allianz, which (coincidentally) has Vanguard as a shareholder, who * (coincidentally) is a shareholder of Black Rock, "which (coincidentally) controls central banks and manages about a third of global investment capital. *

"Black Rock" is also (coincidentally) * a major shareholder of MICROSOFT, owned by Bill Gates, who (coincidentally) is a Pfizer shareholder (who, remember? Sells a miracle vaccine) and (coincidentally) is now the first sponsor of The OMS!*
Now they understand how a dead bat sold in a wet market in China has infected the ENTIRE PLANET! "" * Scoundrels and murderers, their Billion-dollar vaccine production profits have increased fivefold in a year since the self-caused pandemic.
