# THIS IS A REAL PRESIDENT

- August, 31, 2021 -

Statement by Donald J. Trump, 45th  
President of the United States of  
America

Shana, you are 100% correct. If I were President, your wonderful and beautiful son Kareem would be with you now, and so would the sons and daughters of others, including all of those who died in the vicious Kabul airport attack. Civilians should have been brought out first, along with our \$85 billion of equipment, with the Military coming out very safely after all was clear. I love you, and I love Kareem.

238 years ago we froze and starved in order to defeat the largest military force on earth to build a free nation

And you surrendered it because you're afraid of getting sick

**Americans are organizing county by county to restore our rights, the law and our Republic. To become a part of the solution in your county learn about Tactical Civics.**

**<https://tacticalcivics.com/> video at: <https://youtu.be/fJbBwuMHqho>**

**One way to restore the power to we the people is by writing Public Notices to our servants in government like the one I just sent by Registered Mail to our county servants. I sent this to Carly Koppes, Weld County Clerk and Recorder, Sheriff Reams and all people dba Weld County Government with a cc to many interested people in our county:**

### **Public Notice**

Perhaps you've heard that ignorance of the law is no excuse. We the people are disheartened to find that so many people who we pay to serve us are not doing that. Nor do our public servants uphold our natural rights, our Constitutions and the real law. Please understand that '*statutes*' are '*color of law*'.

Definition of *color of law*: That which is in appearance only, and not in reality, what it purports to be, hence counterfeit, feigned, having the appearance of truth. *Windle v. Flinn*, 196 Or. 64, 25` P2nd 136, 146

Also take note of **16 Am Jur 2d, Sec 177 late 2d, Sec 256**: The General rule is that an unconstitutional statute, though having the form and name of law is **in reality no law, but is wholly void**, and ineffective for any purpose; since **unconstitutionality dates from the time of its enactment** and not merely from the date of the decision so branding it. **An unconstitutional law**, in legal contemplation, **is as inoperative as if it had never been passed**. Such a statute leaves the question that it purports to settle just as it would be had the statute not been enacted.

This is your Notice that I and many other people in Weld intend to uphold our natural free-will rights, our Constitutions and the real law. And to hold those who do not do so accountable. Included herewith is our **Public Notice of Government/Court Fraud** pertaining to some of our rights. This is served on the judges dba Weld County Court in the 1990's!!!

**Firmly,**

I've been hearing from a lot of people who are looking for a new home that **there are bidding wars** for those homes. I found this out today.  Janet Lee

Gordon Johnson@GordonJohnson19 Hey @neelkashkari... why is **the Fed lending money to Blackrock at 0.05%** to go out and **buy houses (i.e., compete against poor people)**, vs. poor/middle-class Americans who are **forced to take home loans out at 4-5%**? Is this not the definition of **inequality**?

**That group of dms are all IDIOTS! As Biden met the returning bodies of fallen Marines killed by suicide bombers in Afghanistan, Obama's former Education Secretary said people who don't want to wear masks are comparable to the suicide bombers. Go ahead and process that for a minute.** <https://www.lawenforcementtoday.com/obama-education-secretary-duncan-compared-anti-maskers-to-kabul-suicide-bombers/>

For you guys that won't find this out bc social media won't allow it..

In a press conference about the bombing a reporter asked Biden if he thought it was a "predetermined" attack and he said "no we gave them a list of Americans and Afghans that are still there"

And then another reporter said "so you gave them a hit list?" And then the cameras shut off and it went black. Just thought I'd keep you guys updated with REAL news instead of what's gonna be taken off the internet forever
